

Drayton Manor High School

A-level Mathematics and Further Mathematics

Transition tasks 11 into 12, 2023

1. Apply for an account to access the *Transition to A-level Mathematics* course at this URL:
https://my.integralmaths.org/integral/management/self_reg_students.php
2. The Advanced Mathematics Support Programme (AMSP) will send you an e-mail to verify your e-mail address. They will then send you a log-in and password.
3. Click on the link in the e-mail and log in.
4. Change your password when asked. Make a note of your new password if necessary so you can log back in.
5. You will then be taken to the dashboard.
6. Select the *Transition to A-level Mathematics* course.
7. **Work your way through the seven sections by watching and taking notes on the videos and answering the questions.**
8. **Take the assessment after each section.** You only get one chance so make sure you have been through all the chapters in the section.
9. **When you have completed the assessments, download the certificate with all your assessment results.**
10. **Be prepared to hand in your certificate in the first A-level lesson next year.**
11. If you are studying **Further Maths**, you also have to work through the *Going Deeper* chapters at the end of each section. Otherwise, the chapters are optional.

If you have any questions, please e-mail **Mr Kirk** (Head of Key Stage 5 Mathematics)
